UNITED HOMESTAYS

Home Away from Home

We believe the best way to enjoy your stay in Bournemouth and give your language learning a massive boost, is to stay with one of our host families. This is why all of our families have been inspected by the school to ensure they provide a safe, clean and comfortable environment to relax and study.

All United Homestays are located in residential areas around Bournemouth but not in the town centre itself, so that students get to truly experience a traditional British lifestyle. Most of our host families are surrounded by parks and green areas, and are also on a main bus route for easy access to the town centre and tourist attractions nearby.

Inclusive in the price of homestay accommodation is breakfast and dinner every day with a packed lunch at the weekends, bed linen, Wi-Fi and at least one laundry wash per week. And of course, memories to cherish for the rest of your life!

So what are you waiting for?

How much then?

ACTIVITIES

21st century Business English

At United World we believe that the English experience should continue outside of the classroom. In order to fully benefit from their stay in Bournemouth, our students have the opportunity to immerse themselves in activities where they can continue to practise their English. They can also make new friends and learn more about life in England. We provide a varied social and activity programme all year round, which caters for all preferences and allows you to make the most out of your time in the UK. Our trips and activities are either free or can be booked for a small fee at reception.
